Oasis Art & Craft Hall 5, Stand C60

Oasis Art & Craft Products will be unveiling an exciting range of art and craft materials at Spring Fair.

Tulip is the world's leading 3D paint that can be used on virtually any surface it can be used to create cards, decorate glass and ceramic or even customise clothing for that unique touch. The range includes eight types of paint in a range of colours and each has a different finish from crystal or pearl to metallic or even glitter.

Joining the range is a collection of brooches that can be finished with the Tulip 3D paint. There will also be six different types of See Thru Stones in five different shapes and sizes. Simply put a dot of the Tulip paint onto a Brooch, fabric or virtually any surface and then stick on one of the stones. Due to their clear design kids can see the Tulip paint straight through the stone.

Reeves are the world's leading supplier and manufacturer of By Numbers kits and this collection ensures that all ages find painting and colouring easy.

There are a huge variety of designs to choose from and many new titles will be launched across the range in 2007. In addition the Junior and Senior Painting By Numbers kits will all feature bright new packaging.

Each set includes a high quality pre-printed art board and everything needed to produce a beautiful piece of artwork.
