BRIDGE TO TERABITHIA

BRIDGE TO TERABITHIA

Bridge To Terabithia is a fantasy adventure story of friendship, family and the power of imagination from the producers of 'The Chronicles of Narnia'.

As two outsiders, Jess and Leslie become best friends. Together they create the secret kingdom of Terabithia, a magical place only accessible by swinging on an old rope over a stream in the woods. There, the friends rule the kingdom, fight the Dark Master and his creatures, and plot against the school bullies.
